In the last winter season Sionline.hu directed more than 4500 guests to the accommodations featured on the portal. On the webpage, you can find daily updated information, magazine contents (daily updates skiing news, snow forecasts, interviews, event promotions, etc.) and promotional games, offering prizes throughout the entire season; these features ensure a high and continuously growing visitor count for Sionline.hu.

The purpose of the website is to reach all Hungarians planning a winter vacation and wishing to reserve accommodation. Every year, 1.500.000 Hungarians go on a skiing trip. Sionline.hu targets these people and helps them organize their winter holidays. Sionline.hu is not simply a travel portal containing information, but also a popular starting page for all Hungarian travelers in the winter season.

Your accommodation will be featured free of charge on an Accommodation Profile Page of Sionline.hu; we will only receive a commission after a successful booking is made. Reservations will be made through our system, in Hungarian, in order to ensure a smooth process for the guests.
